

RoPACS mid-term training day schedule

Thursday 2nd December 2010
At UH, Astrium, and the UH Observatory at Bayfordbury

Arrival

RoPACS visitors please arrive at 11.00am at main reception on College Lane campus. Tell the reception to ring DP on extension 4171. He will meet you all there and show you to the Centre for Astrophysics Research (CAR).

ESRs + ERs should transfer their Friday talks to a designated laptop on arrival in CAR.

Lunch

(All RoPACS visitors and local low-mass group welcome)

12.00 - 12.45pm: Buffet lunch in CAR discussion room (E108).

Visit to Astrium

(All ESRs and ERs accompanied by DP)

1.00pm: Astrium-bound mini-bus leaves UH main campus

1.30 - 2.00pm: Arrive at Astrium and escorted to the Viewing Gallery

2.00 - 3.00pm: Talk on “Astrium and Science Mission Activities”
By Matthew Stuttard
Head of Space Science Future Programmes, Astrium UK

3.00 - 4.00pm: Astrium site tour

4.00 - 4.45pm: Talk on “Mission time-lines and Technology Readiness Levels”
By Craig Brown
Systems Engineer, Astrium

5.00pm: UH-bound mini-bus leaves Astrium

Dinner

(All RoPACS visitors and UH observatory helpers welcome)

5.30 - 6.15pm: Buffet dinner in CAR discussion room (E108).

Visit to UH observatory

(All RoPACS visitors welcome, accompanied by John Barnes)

- 6.15pm: UH-observatory-bound bus leaves UH main campus
- 6.45 – 9.30pm: UH-observatory training in use of small telescopes, and planetarium
Training activities supervised by Bob Forrest and John Barnes
- 9.30pm: UH-bound bus departs observatory
- 10.00pm: Expected arrival at UH

Thursday finish

Friday morning, please aim to arrive on campus at 8.30am for a 9am meeting start.
